### Section 3 – Securities and Trading Markets

#### Item 3.01 – Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On December 4, 2012, Perma-Fix Environmental Services, Inc. (the "Company") was notified by The NASDAQ Stock Market LLC ("NASDAQ") that, based upon the closing bid price of the Company's common stock (the "Common Stock") for the last 30 consecutive business days, the Common Stock did not meet the minimum bid price of \$1.00 per share required for continued listing on The NASDAQ Capital Market pursuant to NASDAQ Marketplace Rule 5550(a)(2) (the "Minimum Bid Price Rule").

This notification has no immediate effect on the listing of the Company's Common Stock.

In accordance with NASDAQ Marketplace Rule 5810(c)(3)(A), the Company has a period of 180 calendar days from the date of the notice within which to regain compliance with the Minimum Bid Price Rule. If at any time before June 3, 2013, the bid price of the Company's Common Stock is at least \$1.00 for a minimum of 10 consecutive business days, NASDAQ will provide the Company with written confirmation that it has achieved compliance with the minimum bid price requirement. If the Company is unable to demonstrate compliance with the minimum bid price of \$1.00 for a minimum of 10 consecutive business days by June 3, 2013 and, except for the bid price requirement, the Company meets all other initial listing standards for The NASDAQ Capital Market set forth in Marketplace Rule 5505, the Company may be granted an additional 180-day period to regain compliance with the Minimum Bid Price Rule provided the Company provides NASDAQ written notice of its intention to cure the deficiency during the second compliance period. If the Company does not regain compliance with the Minimum Bid Price Rule prior to June 3, 2013 and is not eligible for the additional compliance period, then NASDAQ will notify the Company that the Common Stock will be delisted. At that time, the Company may appeal NASDAQ's determination to delist the Common Stock.

The Company has not yet determined what action, if any, it will take in response to this notice, although the Company intends to monitor the closing bid price of its Common Stock and to consider available options, including a reverse stock split, if its Common Stock does not trade at a level likely to result in the Company regaining compliance with the NASDAQ minimum closing bid price requirement. There can be no assurance, however, that the Company will be able to regain compliance with the minimum bid price requirement or will otherwise satisfy the other NASDAQ listing criteria.
