PROXY STATEMENT
FOR THE
2003 ANNUAL MEETING OF STOCKHOLDERS

Solicitation

This Proxy Statement is furnished to the holders of the common stock, par value \$.001 (the "Common Stock"), of Perma-Fix Environmental Services, Inc. (the "Company") in connection with the solicitation on behalf of the Board of Directors of the Company (the "Board of Directors" or the "Board") of proxies to be used in voting at the 2003 Annual Meeting of Stockholders to be held at the Company's offices, located at 1940 N.W. 67th Place, Gainesville, Florida 32653, on Tuesday, July 29, 2003, at 1:00 p.m. (EDST), and any adjournments thereof (the "Meeting"). The Notice of Annual Meeting of Stockholders, this Proxy Statement and the accompanying Proxy Card were first mailed to stockholders on or about June 20, 2003.

The Company will pay the cost of preparing, printing, assembling and mailing this Proxy Statement and the Proxy Card. In addition to solicitation by use of the mail, certain of the Company's officers and employees may, without receiving additional compensation therefore, solicit the return of proxies by telephone, telegram or personal interview. The Company will reimburse brokerage houses and custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in forwarding soliciting materials to their principals, the beneficial owners of Common Stock.

Revocation of Proxy

The enclosed proxy is for use at the Meeting if the stockholder will not be able to attend in person. Any stockholder who executes a proxy may revoke it at any time before it is voted by delivering to the Company's Secretary either an instrument revoking the proxy or a duly executed proxy bearing a later date. Any stockholder present at the Meeting who expresses a desire to vote his shares in person may also revoke a proxy.

Record Date and Voting Shares

Only the holders of Common Stock of record at the close of business on June 5,

2003 (the "Record Date"), will have the right to receive notice of, and be entitled to vote at, the Meeting. At the close of business on the Record Date, 34,799,254 shares (excluding 988,000 treasury shares) of Common Stock were issued and outstanding. Each stockholder of record, as of the Record Date, is entitled to one vote for each share of Common Stock that the stockholder owned as of the Record Date on each matter to be voted upon at the Meeting. A majority of all of the outstanding shares of Common Stock entitled to notice of, and to vote at, the Meeting, represented in person or by proxy, will constitute a quorum for the holding of the Meeting. The failure of a quorum to be represented at the Meeting will necessitate adjournment and will subject the Company to additional expense.

Pursuant to the General Corporation Law of the State of Delaware, only votes cast "FOR" a matter constitute affirmative votes, except proxies in which the stockholder fails to make a specification as to whether the stockholder votes "FOR," "AGAINST," "ABSTAIN" or "WITHHOLD" as to a particular matter shall be considered as a vote "FOR" that matter. Votes in which the stockholder specifies "WITHHOLD" or "ABSTAIN" are counted for quorum purposes. Abstentions and broker non-votes are not considered as votes "FOR" a particular matter. An inspector of election appointed by the Board of Directors will tabulate votes.

PROPOSAL 1 - ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that each member of the Board of Directors shall hold office until the next annual meeting of stockholders and their successors have been elected and qualified or until their earlier resignation or removal. Successors to those Directors whose terms have expired are required to be elected by stockholder vote. The existing Board of Directors fills vacancies for an unexpired term and any additional positions created by the Board of Directors' action.

The Company's Bylaws provide that the number of the Company's directors (the "Directors") shall be at least three, and that the number of Directors may be increased or decreased by action of the Board. The Board of Directors currently has determined that the number of Directors shall be seven.

1

The seven Directors named below have been nominated for election at the Meeting to serve until the next annual meeting of the stockholders and until their respective successors are elected and qualified. Dr. Charles E. Young has been nominated by the Board to fill a newly created directorship, based upon the recommendations of the Nominating Committee. All other nominees are incumbent Directors. Shares represented by the enclosed proxy will be voted "FOR" the election as Directors of the seven nominees named below unless authority is withheld. Except as described below, if any nominee named below becomes unavailable for election, the proxies in the form solicited will be voted for an alternate designated by the present Board of Directors. Approval of each nominee for election to the Board of Directors will require the affirmative vote of a plurality of the votes cast by the holders of the Company's Common Stock.

Although there is no formal procedure for stockholders to recommend nominees for the Board of Directors, the Nominating Committee will consider such recommendations if received 120 days in advance of the annual meeting of stockholders. Recommendations should be addressed to the Nominating Committee at the Company's address and provide all information relating to such person that the stockholder desires to nominate that is required to be disclosed in solicitation of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended ("Exchange Act").

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE SEVEN NOMINEES AS THE COMPANY'S DIRECTORS.

3

Meetings and Committees of the Board of Directors

During 2002, the Board of Directors held four meetings. No Director attended fewer than 75% of the aggregate number of meetings held by the Board of Directors and the committees on which he served during 2002. The Board of Directors has an Audit Committee, Compensation and Stock Option Committee and a Nominating Committee.

Audit Committee:

The Audit Committee's duties are to:

- o review recommendations of independent auditors concerning the Company's accounting principles, internal controls and accounting procedures and practices;
- o review the scope of the annual audit;
- o approve or disapprove each professional service or type of service other than standard auditing services to be provided by the auditors;
- o review and discuss with the independent auditors the audited financial statements; and
- o perform such other duties as set forth in the Audit Committee Charter, a copy of which is attached to this Proxy Statement as Exhibit A.

The Audit Committee members during 2002 were Al Warrington, Jon Colin and Mark Zwecker. The Audit Committee meets quarterly and at such additional times as necessary or advisable and held four meetings in 2002. Each member of the Audit Committee is "independent" as that term is defined by Rule 4200(a)(15) of the National Association of Securities Dealers and as defined by Section 301 of the Sarbanes-Oxley Act of 2002.

Compensation and Stock Option Committee:

The Compensation and Stock Option Committee reviews and recommends to the Board of Directors the compensation and benefits of all of the Company's officers and reviews general policy matters relating to compensation and benefits of the Company's employees. The Compensation and Stock Option Committee also administers certain of the Company's stock option plans and its 1996 Employee Stock Purchase Plan. The members of the Compensation and Stock Option Committee from January 2002 until December 2002 were Mark Zwecker, Jack Lahav and Thomas Sullivan. In December 2002, Mr. Sullivan resigned from the Board of Directors and Jon Colin replaced him on the Compensation and Stock Option Committee. The Compensation and Stock Option Committee held one meeting in 2002.

Nominating Committee:

The Nominating Committee recommends to the Board of Directors the nominees for election as the Company's directors. Members of the Nominating Committee from January 2002 until March 2002 were Mark Zwecker, Jack Lahav and Louis Centofanti. In March 2002 Al Warrington joined the Nominating Committee, and in November 2002 Louis Centofanti resigned from the Nominating Committee. The Nominating Committee held one meeting in 2002.

Compensation of Directors

In 2002, we paid each Director who is not an employee of the Company \$1,500 for each month of service, resulting in the five outside directors earning annual director's fees in the total amount of \$85,000. Each Director elects to receive either 65% or 100% of the director's fee in shares of our Common Stock based on 75% of the fair market value of the Common Stock on the business day immediately

preceding the date that the fee is due. The balance of the director's fee, if any, is payable in cash. The aggregate amount of accrued director's fees paid during 2002 to the five outside directors (Messrs. Colin, Lahav, Sullivan, Warrington and Zwecker) was \$81,000, paid by the issuance of 40,232 shares of Common Stock. The aggregate amount of accrued director fees at December 31, 2002, to be paid in 2003, totals \$22,000. Reimbursements of expenses for attending meetings of the Board are paid in cash at the time the expenses are submitted. The outside directors do not receive additional compensation for committee participation or special assignments. We do not compensate the Directors that also serve as our officers or employees of our subsidiaries for their service as directors.

4

We believe that it is important for our Directors to have a personal interest in our success and growth and for their interests to be aligned with those of our stockholders. Therefore, under the Company's 1992 Outside Directors Stock Option and Incentive Plan ("Outside Directors Plan"), each outside director is granted an option to purchase up to 15,000 shares of Common Stock on the date such Director is initially elected to the Board of Directors and is granted on each reelection date an option to purchase up to another 5,000 shares of Common Stock. The exercise price of each option is the fair market value of the Common Stock on the date that the option is granted. No option granted under the Outside Directors Plan is exercisable until after the expiration of six months from the date the option is granted and no option shall be exercisable after the expiration of 10 years from the date the option is granted. As of December 31, 2002, options to purchase 250,000 shares of Common Stock had been granted and are outstanding under the Outside Directors Plan.

The Outside Directors Plan also provides that each eligible Director shall receive, at such eligible new Director's option, either 65% or 100% of the fee payable to such Director for services rendered as a member of our Board in Common Stock. In either case, the number of shares of our Common Stock issuable to the eligible Director shall be determined by valuing the Common Stock of the Company at 75% of its fair market value as defined by the Outside Directors Plan. As of the date of this report, we have issued 184,330 shares of the Company's Common Stock in payment of director fees, covering the period January 1, 1995 through September 30, 2002. The number of shares of Common Stock that may be issued in the aggregate under the Outside Directors Plan, either under options or stock awards, is 500,000 shares subject to adjustment.

The Company is seeking approval from the Company's stockholders to adopt the 2003 Outside Directors Stock Plan (the "2003 Directors Plan") to replace the current Outside Directors Plan, which expires in November 2003. The following is a summary of the principal differences between the two plans. See "Proposal 2" beginning on page 17 for a description of the 2003 Directors Plan.

- o The number of shares issuable under the 2003 Directors Plan is 1,000,000 shares, which is an increase from the 500,000 shares issuable under the Outside Directors Plan.
- o Upon initial election to the Board of Directors, each Director will be granted an option to purchase 30,000 shares of Common Stock under the 2003 Directors Plan. Under the Outside Directors Plan, each outside Director is granted an option to purchase 15,000 shares of Common Stock on the date of initial election.
- o Options to purchase 12,000 shares of Common Stock will be granted under the 2003 Directors Plan to each outside Director on each date the Director is reelected to the Board. Under the Outside Directors Plan, each Outside Director is granted an option to purchase 5,000 shares on the date of reelection.

Dr. Centofanti is not compensated for his services provided as a Director, but is compensated for his services rendered as an officer of the Company. See "EXECUTIVE COMPENSATION -- Summary Compensation Table."

Compensation Committee Interlocks and Insider Participation

From January 1, 2002 to December 16, 2002, the Compensation and Stock Option Committee for the Company's Board of Directors was composed of Mark Zwecker, Jack Lahav and Tom Sullivan. On December 16, 2002, Tom Sullivan resigned from the Board and Jon Colin replaced Mr. Sullivan on the Compensation and Stock Option Committee. Messrs. Zwecker, Sullivan, Lahav and Colin were neither officers nor employees during the year 2002.

Certain Relationships

There are no family relationships between any of the Company's existing Directors, executive officers, or persons nominated or chosen to become a Director or executive officer. Dr. Centofanti is the only Director who is the Company's employee.

5

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the regulations promulgated thereunder require the Company's executive officers, Directors and beneficial owners of more than 10% of any equity security of the Company registered pursuant to Section 12 of the Exchange Act to file reports of ownership and changes of ownership of the Company's

equity securities with the Securities and Exchange Commission, and to furnish the Company with copies of all such reports. Based solely on a review of the copies of such reports furnished to the Company and information provided to the Company, the Company believes that during 2002 none of the executive officers and Directors of the Company failed to timely file reports under Section 16(a), except that a Form 5 was not filed by Thomas Sullivan for December 2002.

Capital Bank-Grawe Gruppe AG ("Capital Bank") has advised us that it is a banking institution regulated by the banking regulations of Austria that holds shares of our Common Stock on behalf of numerous investors. Capital Bank has represented that all of its investors are accredited investors under Rule 501 of Regulation D promulgated under the Act. In addition, Capital Bank has advised us that none of its investors beneficially own more than 4.9% of our Common Stock. Capital Bank has further informed us that its clients (and not Capital Bank) maintain full voting and dispositive power over such shares. Consequently, Capital Bank has advised us that it believes it is not the beneficial owner, as such term is defined in Rule 13d-3 of the Exchange Act, of the shares of our Common Stock registered in the name of Capital Bank because it has neither voting nor investment power, as such terms are defined in Rule 13d-3, over such shares. Capital Bank has informed us that it does not believe that it is required to file, and has not filed, reports under Section 16(a), any Schedule 13D or any Schedule 13G in connection with the shares of our Common Stock registered in the name of Capital Bank.

If the representations, or information provided, by Capital Bank are incorrect or Capital Bank was historically acting on behalf of its investors as a group, rather than on behalf of each investor independent of other investors, then Capital Bank and/or the investor group would have become a beneficial owner of more than 10% of our Common Stock on February 9, 1996, as a result of the acquisition of 1,100 shares of Series 1 Preferred Stock that were convertible into a maximum of 1,282,798 shares of Common Stock of the Company commencing 45 days after issuance of the Series 1 Preferred. If either Capital Bank or a group of Capital Bank's investors became a beneficial owner of more than 10% of the Company's Common Stock on February 9, 1996, and thereby required to file reports under Section 16(a) of the Exchange Act, then Capital Bank also failed to file a Form 3 or any Forms 4 or 5. For a discussion on Capital Bank, see "Potential Change in Control" on page 16 of this Proxy Statement.

Audit Committee Report

The Audit Committee, which is appointed annually by the Board of Directors, currently consists of three directors, each of whom is independent and meets the other qualification requirements under the applicable rules of the NASDAQ Small Cap Market, and the Sarbanes-Oxley Act of 2002. The Audit Committee acts under an Audit Committee Charter that was adopted by the Board of Directors on February 27, 2003, which replaced its previous charter. As described in its charter, the Audit Committee is responsible for providing independent objective oversight of the Company's accounting functions and internal controls. A copy of the Audit Committee Charter is attached to this Proxy Statement as Exhibit A.

In accordance with rules adopted by the Commission, the Audit Committee of the Company states that:

- o The Audit Committee has reviewed and discussed with management the Company's audited financial statements for the fiscal year ended December 31, 2002.
- o The Audit Committee has discussed with BDO Seidman, LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61, as modified or supplemented.
- o The Audit Committee has received the written disclosures and the letter from BDO Seidman, LLP, required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), as modified or supplemented, and has discussed with BDO Seidman, LLP, the independent accountant's independence.

In connection with the Audit Committee's discussion with BDO Seidman, LLP, as described above, the Audit Committee discussed and considered (a) that approximately 87% of the total hours spent on audit services for the Company for the year ended December 31, 2002, were spent by Gallogly, Fernandez & Riley, LLP ("GFR"), members of the BDO Seidman, LLP alliance network of firms, and (b) the nature and scope of the non-audit services performed by GFR, and determined that the audit and non-audit services provided by BDO Seidman, LLP and GFR were compatible with maintaining the independence of BDO Seidman, LLP.

6

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission. The Audit Committee also appointed BDO Seidman, LLP as the Company's independent auditor for 2003, subject to approval by the Company's stockholders.

This report is submitted on behalf of the members of the Audit Committee:

Alfred C. Warrington, IV (Chairperson)
Jon Colin
Mark Zwecker

The Report of the Audit Committee shall not be deemed to be "soliciting

material" or to be "filed" with the Securities and Exchange Commission, nor shall it be incorporated by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference and shall not otherwise be deemed filed under such Acts.

(1) Represents the difference between \$2.50 (the closing price of the Company's Common Stock reported on the National Association of Securities Dealers Automated Quotation ("NASDAQ") Small Cap Market on December 31, 2002), and the option exercise price. The actual value realized by a named executive officer on the exercise of these options depends on the market value of the Company's Common Stock on the date of exercise.

Employment Contracts and Change-in-Control Arrangements

The Company does not have any employment agreements with any of its executive officers. Nor does the Company have any compensatory plan or arrangement that would result in any payments to any executive officers upon such officer's resignation, retirement or other termination or from a change in control of the Company. However, the Company's 1991 Performance Equity Plan and the 1993 Non-qualified Stock Option Plan, described under "Report of the Compensation and Stock Option Committee (c) Stock Options" (collectively, the "Plans") provide that in the event of a change in control (as defined in the Plans) of the Company, each outstanding option and award granted under the Plans shall immediately become exercisable in full notwithstanding the vesting or exercise provisions contained in the stock option agreement. As a result, all outstanding stock options and awards granted under the Plans to our executive officers shall immediately become exercisable upon such a change in control of the Company.

401(k) Plan

The Company adopted the Perma-Fix Environmental Services, Inc. 401(k) Plan (the "401(k) Plan") in 1992, which is intended to comply with Section 401 of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974. All employees who have attained the age of 18 are eligible to participate in the 401(k) Plan. Participating employees may make annual pretax contributions to their accounts, up to 18% of their compensation, up to a maximum amount as limited by law. The Company, at its discretion, may make matching contributions based on the employee's elective contributions. Company contributions vest over a period of five years. The Company currently matches up to 25% of our employee's contributions, not to exceed 3% of a participant's compensation. The Company contributed \$253,000 in matching funds during 2002.

Employee Stock Purchase Plan

The Company has adopted the Perma-Fix Environmental Services, Inc. 1996 Employee Stock Purchase Plan (the "1996 Plan") that is intended to comply with Section 423 of the Code. All full-time employees who have completed at least six months of continuous service, other than those that are deemed, for the purpose of Section 423(b)(3) of the Code, to own stock possessing 5% or more of the total combined voting power or value of all classes of stock of the Company, are eligible to participate in the 1996 Plan. Participating employees ("Participants") may authorize payroll deductions from compensation for the purpose of funding the Participant's stock purchase account ("Stock Purchase Account"). This deduction shall be not less than 1% nor more than 5% of the Participant's gross amount of compensation. The purchase price per share of the Common Stock to be sold to Participants pursuant to the 1996 Plan is the sum of (a) 85% of the fair market value of each share on the offering date on which such Offering commences or on the Exercise Date (as defined in the 1996 Plan) on which such offering expires, whichever is the lower, and (b) any transfer, excise or similar tax imposed on the transaction pursuant to which shares of Common Stock are purchased. The "Offering Date" means the first day of each January and July during which the 1996 Plan is in effect. Any Participant may voluntarily withdraw from the 1996 Plan by filing a notice of withdrawal with the Board of Directors prior to the 15th day of the last month in each six-month purchase period. Upon such withdrawal, the Company pays to the Participant the amount, if any, standing to the Participant's credit in the Participant's Stock Purchase Account. If a Participant ceases to be an eligible employee, the entire amount standing to the Participant's credit in the Participant's Stock Purchase Account on the effective date of such occurrence shall be paid to the Participant. The first purchase period commenced July 1, 1997. The following table details the resulting employee stock purchase totals, which includes 43,243 shares issued in January 2003, for the purchase period July 1 through December 31, 2002.

Under Proposal 3 of this Proxy Statement, the Company is seeking approval from the stockholders to adopt the 2003 Employee Stock Purchase Plan (the "2003 Employee Plan"). The Board of Directors believes it is necessary to adopt a new plan because the number of shares issuable under the 1996 Plan is expected to be substantially exhausted before January 1, 2004. As of January 1, 2003, a total of 369,970 shares had been purchased under the 1996 Plan and 130,030 remained

available for purchase. Based on the number of shares purchased during 2002, the Board of Directors believes that approximately 92,000 shares will be purchased during 2003, leaving only approximately 38,030 shares available under the 1996 Plan. The 2003 Employee Plan is substantially the same as the 1996 Plan, except there will be 1,000,000 shares issuable under the 2003 Employee Plan plus an annual increase to be added on the first day of the five calendar years 2009 through 2013, equal to the lesser of (a) 100,000 shares, or (b) 0.5% of the outstanding shares of Common Stock of the Company on such date, or (c) such lesser amount as determined by the Board of Directors. As a result, the maximum number of shares, which would be issuable under the 2003 Employee Plan, would be 1,500,000 shares. A summary of the terms of the 2003 Employee Plan are set forth under "Proposal 3" beginning on page 19 of this Proxy Statement.

Total	2,706,000	\$1.70	1,612,391
</TABLE>			

(1) Includes the following equity compensation plans which are approved by the Company's stockholders:

- o 1991 Performance Equity Plan (the "1991 Plan"), which provides for the issuance of up to 500,000 shares of Common Stock under options issuable to eligible officers, directors, and key employees of the Company. Incentive stock options granted under the 1991 Plan are exercisable for a period of up to 10 years from the date of grant at an exercise price which is not less than the market price of the Common Stock on the date of grant, except that the term of an incentive stock option granted under the 1991 Plan to a stockholder owning more than 10% of the then outstanding shares of Common Stock may not exceed five years and the exercise price may not be less than 110% of the market price of the Common Stock on the date of grant. As of December 31, 2002, 87,100 shares are issuable under outstanding options granted under the 1991 Plan. The 1991 Plan expired in December 2001, and no new options were issued under the 1991 Plan after the date of expiration.
- o 1993 Non-qualified Stock Option Plan (the "1993 Plan") pursuant to which officers and key employees are eligible to receive options to acquire our Common Stock. The maximum number of shares of Common Stock as to which stock options may be granted in any year may not exceed 12% of the number of shares of Common Stock outstanding on December 31 of the preceding plan year, less the number of shares covered by the outstanding stock options issued under the 1991 Plan as of December 31 of such preceding year. Options granted under the Plan are exercisable for a period of up to 10 years from the date of grant at an exercise price, which is not less than market price of the Common Stock at the date of grant. The 1993 Plan expires in September 2003. As of December 31, 2002, 2,068,900 shares are issuable under outstanding stock options granted under the 1993 Plan, and 1,612,391 shares are available for future stock option grants.
- o 1992 Outside Directors Stock Option Plan under which 500,000 shares of the Company's Common Stock are reserved for issuance. The Outside Directors Plan is described under Compensation of Directors beginning on page 5. As of December 31, 2002, 226,550 shares have been issued or are issuable as stock awards and 250,000 shares are issuable under outstanding options granted under the Outside Directors Plan.

(2) Includes non-qualified stock options granted to Dr. Centofanti in October 1997 in connection with a three-year employment contract that is now expired. The options provide Dr. Centofanti with the right to purchase an aggregate of 300,000 shares of Common Stock as follows: (a) 100,000 shares of Common Stock at a price of \$2.25 per share, (b) 100,000 shares of Common Stock at a price of \$2.50 per share, and (c) 100,000 shares of Common Stock at a price of \$3.00 per share. Those non-qualified stock

options expire in October 2007.

Report of the Compensation and Stock Option Committee

The Compensation and Stock Option Committee (the "Compensation Committee") is responsible for reviewing and approving the Company's compensation policies and the compensation paid to the Company's executive officers, including the executive officers named in the Summary Compensation Table. The Company's compensation program for its executive officers is generally not formalized but is designed to provide levels of compensation required to assist the Company in attracting and retaining qualified executive officers. The Compensation Committee attempts to set an executive officer's compensation at a level that is similar to such officer's peers in the industry consistent with the size of the Company. Generally, executive officer compensation, including that of the Chief Executive Officer, is not directly related to the Company's performance. Instead, the Compensation Committee has a philosophy that recognizes individual initiative and achievement in arriving at an officer's compensation. The executive compensation program is comprised of salary, cash incentives and stock options. The following is a discussion of each of the elements of the executive compensation program.

Salary

Generally, base salary for each executive officer is similar to levels within the industry and comparable to the level which the Company believes could be attained for equal positions elsewhere, but consistent with the Company's size. Also taken into account are benefits, years of service, responsibilities, Company growth, future plans and the Company's current ability to pay. The Board of Directors increased Dr. Centofanti's salary in 2001 through application of an inflation factor and, in addition, the Compensation Committee further increased Dr. Centofanti's compensation to a level it believed was consistent with salary levels of other Chief Executive Officers at similar situated and sized companies in the waste industry. Mr. Kelecys's, Mr. Randall's and Mr. McNamara's salaries were increased in 2001; in response to the Compensation Committee's review of executive officer salary levels at similarly sized and situated companies within the Company's industry.

Cash Incentives

The cash incentive plan is a program through which cash bonuses may be paid on an annual basis to reward significant corporate accomplishments and individual initiative demonstrated by executive officers during the prior fiscal year. The Compensation Committee determines the amount of cash bonus. No cash bonuses were awarded in 2002.

Stock Options

The Company's 1991 Performance Equity Plan and 1993 Non-qualified Stock Option Plan were adopted for the purpose of promoting the interests of the Company and its stockholders by attracting and retaining executive officers and other key employees of outstanding ability. Options are granted to eligible participants based upon their potential impact on corporate results and on their individual performance. Generally, options are granted at market value, vest over a number of years, and are generally dependent upon continued employment. The Compensation Committee believes that the grant of time-vested options provides an incentive that focuses the executive officers' attention on managing the Company from the perspective of owners with an equity stake in the Company. Options further motivate executive officers to maximize long-term growth and profitability because value is created in the options only as the Common Stock price increases after the option is granted.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Security Ownership of Certain Beneficial Owners

The table below sets forth information as to the shares of voting securities "beneficially owned" as of the Record Date, by each person known by us to be the beneficial owners of more than 5% of any class of the Company's voting securities, as determined in accordance with the rules promulgated under Section 13(d) of the Exchange Act.

- (1) In computing the number of shares and the percentage of outstanding Common Stock beneficially owned by a person, the calculations are based upon 34,799,254 shares of Common Stock issued and outstanding on June 5, 2003 (excluding 988,000 treasury shares), plus the number of shares of Common Stock which such person has the right to acquire beneficial ownership of within 60 days.
- (2) This beneficial ownership amount is according to the Schedule 13G, filed with the Securities and Exchange Commission, dated February 14, 2003. Kern Capital Management, LLC had sole voting and dispositive power over all of these shares.

12

Security Ownership of Capital Bank

Capital Bank represented to us that:

- o Capital Bank owns shares of the Company's Common Stock and rights to acquire shares of the Company's Common Stock only as agent for certain of Capital Bank's investors;
- o None of Capital Bank's investors beneficially own more than 4.9% of the Company's Common Stock;
- o Capital Bank's investors maintain full voting and dispositive power over the Common Stock beneficially owned by such investors; and
- o Capital Bank has neither voting nor investment power over the shares of Common Stock owned by Capital Bank, as agent for its investors.

Based on the foregoing representations, Capital Bank has advised us that Capital Bank is not a beneficial owner of the shares of our Common Stock held in Capital Bank's name. However, if Capital Bank's representations to us described above are incorrect or if Capital Bank's investors are acting as a group, then Capital Bank or a group of Capital Bank's investors could be a beneficial owner of more than 10% of the Company's voting securities. The following table sets forth information as to the shares of our voting securities owned of record by Capital Bank on the Record Date, as if Capital Bank were the beneficial owner of such securities.

- (1) In computing the number of shares and the percentage of outstanding Common Stock "beneficially owned" by a person, the calculations are based upon 34,799,254 shares of Common Stock issued and outstanding on June 5, 2003 (excluding 988,000 Treasury Shares), plus the number of shares of Common Stock which such person has the right to acquire beneficial ownership of within 60 days.
- (2) This amount includes 9,036,443 shares that Capital Bank owns of record, as agent for certain accredited investors and 5,985,942 shares that Capital Bank has the right to acquire, as agent for certain investors, within 60 days under certain Warrants and "Series 17 Preferred". The Warrants are exercisable at exercise prices ranging from \$1.42 to \$1.97 per share of Common Stock. This amount also includes 1,666,667 shares of Common Stock issuable upon the conversion of 2,500 shares of the Company's Series 17

Preferred held by Capital Bank. This amount does not include the shares of Common Stock that may be issuable for payment of dividends on the Series 17 Preferred. Capital Bank has also advised the Company that it is holding these Warrants and shares on behalf of numerous clients, all of which are accredited investors. Although Capital Bank is the record holder of the shares of Common Stock and Warrants described in this note, Capital Bank has advised the Company that it does not believe it is a beneficial owner of the Common Stock or that it is required to file reports under Section 16(a) or Section 13(d) of the Exchange Act. Because Capital Bank (a) has advised the Company that it holds the Common Stock as a nominee only and that it does not exercise voting or investment power over the Common Stock held in its name and that no one investor of Capital Bank for which it holds Company Common Stock holds more than 4.9% of the issued and outstanding Common Stock of the Company; (b) has no right to, and is not believed to possess the power to, exercise control over the Company's management or its policies; (c) has not nominated, and has not sought to nominate, a director to the Company's Board; and (d) has no representative serving as an executive officer of the Company, the Company does not believe that Capital Bank is an affiliate of the Company. Capital Bank's address is Burgring 16, 8010 Graz, Austria. Capital Bank has advised the Company that it is a banking institution.

Security Ownership of Management

The following table sets forth information as to the shares of voting securities beneficially owned as of June 5, 2003, by each Director, each executive officer of the Company named in the Summary Compensation Table, and by all Directors and executive officers of the Company as a group. Beneficial ownership by the Company's stockholders has been determined in accordance with the rules promulgated under Section 13(d) of the Exchange Act. A person is deemed to be a beneficial owner of any voting securities for which that person has the right to acquire beneficial ownership within sixty days.

Potential Change in Control

As of June 5, 2003, Capital Bank owned of record, as agent for certain accredited investors, 9,036,443 shares of Common Stock representing 26.0% of our issued and outstanding Common Stock. As of that date, Capital Bank also had the right to acquire an additional 5,985,942 shares of Common Stock, comprised of (a) 4,319,275 shares of Common Stock issuable under various warrants held by Capital Bank, as agent for certain investors; and (b) 1,666,667 shares of Common Stock issuable to Capital Bank upon the conversion of 2,500 shares of Series 17 Preferred held by Capital Bank.

If Capital Bank were to acquire all of the shares of Common Stock issuable upon exercise of the various warrants held by Capital Bank and the shares of Common Stock issuable upon conversion of the Series 17 Preferred, then Capital Bank would own of record 15,022,385 shares of Common Stock, representing 36.8% of the issued and outstanding Common Stock. The foregoing estimates assume that we do not issue any other shares of Common Stock; no other warrants or options are exercised; we do not acquire additional shares of Common Stock as treasury stock; and Capital Bank does not dispose of any shares of Common Stock.

Capital Bank has advised us that it is a banking institution regulated by the banking regulations of Austria that holds shares of our Common Stock on behalf of numerous investors. Capital Bank asserts that it is precluded by Austrian law from disclosing the identities of its investors, unless so approved by each such investor. Certain of its investors recently gave Capital Bank permission to disclose their identities in order to be included as Selling Stockholders in our S-3 Registration Statement effective November 27, 2002. Capital Bank has represented that all of its investors are accredited investors under Rule 501 of Regulation D promulgated under the Act. In addition, Capital Bank has advised us that none of its investors beneficially own more than 4.9% of our Common Stock. Capital Bank has further informed us that its clients (and not Capital Bank) maintain full voting and dispositive power over such shares. Consequently, Capital Bank has advised us that it believes it is not the beneficial owner, as such term is defined in Rule 13d-3, of the shares of our Common Stock registered in the name of Capital Bank because it has neither voting nor investment power, as such terms are defined in Rule 13d-3, over such shares. Capital Bank has informed us that it does not believe that it is required to file, and has not filed, reports under Section 16(a) or to file either Schedule 13D or Schedule 13G in connection with the shares of our Common Stock registered in the name of Capital Bank.

15

If Capital Bank's investors agree to, or reach an understanding to, act as a group or otherwise to act in concert for the purposes of voting on matters subject to stockholder vote, our operations and management could be greatly impacted. For example, if Capital Bank acquires the shares of Common Stock described in the previous paragraph, the Capital Bank investor group may be able

to cause a change in at least 50% of the members of our Board of Directors. This change in Board membership could be an event of default under our \$22 million credit facility (the "Credit Facility") and our \$5.6 million outstanding subordinated promissory notes. If the Capital Bank investor group were to cause Dr. Louis Centofanti to be removed from our Board of Directors or as our president and chief executive officer, the removal could be an event of default under the Credit Facility and the subordinated promissory notes. The Company is not aware of any agreement or understanding among Capital Bank's investors to act as a group.

If the representations or information provided, by Capital Bank are incorrect or if Capital Bank was historically acting on behalf of its investors as a group, rather than on behalf of each investor independent of other investors, Capital Bank and/or the investor group could have become a beneficial owner (as that term is defined under Rule 13d-3 as promulgated under the Exchange Act) of more than 10% of our Common Stock. Capital Bank and/or its investor group has not filed with the Securities and Exchange Commission and the Company, among other reports, any Forms 3, 4 or 5, and has not filed any applicable Schedules 13D or 13G as a result of acquiring shares of our voting equity securities.

Because Capital Bank (a) has advised us that it holds the Common Stock as a nominee only and that it does not exercise voting or investment power over our Common Stock held in its name and that no one investor of Capital Bank for which it holds our Common Stock holds more than 4.9% of our issued and outstanding Common Stock; (b) has no right to, and is not believed to possess the power to, exercise control over our management or our policies; (c) has not nominated, and has not sought to nominate, a director to our board; and (d) has no representative serving as an executive officer of the Company, we do not believe that Capital Bank is an affiliate of the Company.

PROPOSAL 2 - APPROVAL OF THE 2003 OUTSIDE DIRECTORS STOCK PLAN

General. The Board of Directors, subject to approval by the stockholders, has adopted the 2003 Outside Directors Stock Plan (the "2003 Directors Plan"). The 2003 Directors Plan authorizes the grant of non-qualified stock options and stock awards to each member of the Company's Board of Directors who is not an employee of the Company. Pursuant to Rule 16b-3 of the Securities Exchange Act, as amended, stockholders are being asked to approve the 2003 Directors Plan at the Meeting. The Board of Directors believes that adoption and approval of the 2003 Directors Plan will serve to attract and retain qualified members of the Board of Directors who are not employees of the Company and to enhance their interests in the Company's continued success by increasing their proprietary interest in the Company. Such proprietary interests will more closely align the financial interests of such members with the stockholders. The Company's Board of Directors unanimously recommends that stockholders approve the 2003 Directors Plan.

Principal features of the 2003 Directors Plan, as adopted by the Board of Directors, are summarized below, but such summary is qualified in its entirety by reference to the terms of the 2003 Directors Plan, as set forth in Exhibit B to this Proxy Statement.

Available Shares. The maximum number of shares of Common Stock of the Company that may be issued under the 2003 Directors Plan will be 1,000,000 shares (subject to adjustment as provided in the 2003 Directors Plan). As of the Record Date, the fair market value of a share of Common Stock of the Company was \$1.88 based on the closing price of such stock as reported on NASDAQ on such date and, as a result, the aggregate fair market value of the 1,000,000 shares of Common Stock that may be granted under the 2003 Directors Plan was \$1,880,000. Shares of Common Stock subject to options that are canceled or expired without the delivery of shares of Common Stock will again be available for options or awards under the 2003 Directors Plan. The shares of Common Stock to be delivered under the 2003 Directors Plan will be made available from the authorized and unissued shares of the Company or from treasury shares.

Eligibility. Each member of the Company's Board of Directors who is not an employee of the Company ("Eligible Director") is eligible to receive options and awards under the 2003 Directors Plan. As of the date of this Proxy Statement, six persons are eligible to participate in the 2003 Directors Plan. If new or additional non-employee Directors are added to the Company's Board of Directors, they will be eligible to participate in the 2003 Directors Plan.

16

Grant of Options. The Company shall automatically grant to each Eligible Director an option to purchase 30,000 shares of Common Stock on the date the Eligible Director is initially elected to the Board of Directors. Thereafter, the Company shall grant to each Eligible Director an option to acquire an additional 12,000 shares of Common Stock on each date the Eligible Director is reelected to the Board of Directors by the Company's stockholders. The options to be granted, under the 2003 Directors Plan are non-qualified stock options, therefore, they do not satisfy the requirements to be "incentive stock options" under ss. 422 of the Internal Revenue Code, as amended (the "Code"). The 2003 Directors Plan provides that the terms of each option granted will include the following:

a. Exercise Price. The exercise price of options granted under the 2003 Directors Plan will be the fair market value of the shares of Common Stock subject to the option on the business day preceding the date the option is granted. Common Stock purchased upon the exercise of an option granted under the 2003 Directors Plan must be paid in cash in full at the time of exercise. Options must be exercised for not less than 1,000 shares of Common Stock unless the remaining shares that are exercisable are less

than 1,000 shares.

b. Term of Options. No option shall be exercisable until after the expiration of six months from the date the option was granted and no option shall be exercisable after the expiration of ten years from the date the option is granted.

Grant of Stock Awards. The 2003 Directors Plan provides that an Eligible Director may elect to receive either (a) 65% of the fee payable to the Eligible Director for service on our Board (the "Director Fee") in Common Stock with the balance paid in cash, or (b) 100% of the Director Fee in Common Stock. The number of shares of Common Stock issuable to the Eligible Directors shall be determined by valuing the Common Stock at 75% of its fair market value on the business day immediately preceding the date that the Director Fee is due. No shares of Common Stock received in lieu of Director Fees may be transferred by an Eligible Director until after the expiration of six months from the date the shares are issued.

Amendment or Termination. The Board of Directors may amend or modify the 2003 Directors Plan at any time (except as otherwise provided in the 2003 Directors Plan); provided however, the Board of Directors may not amend the 2003 Directors Plan more than once every six months with respect to the provisions relating to the grant of options, except to comport with changes in the Code, the Employee Retirement Income Securities Act, or rules thereunder.

Adjustments. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock for which options may thereafter be granted and the number of shares of Common Stock then subject to options previously granted shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock of the Company resulting from a merger, consolidation, reorganization, recapitalization, reclassification, combination of shares, stock split or stock dividend. Such adjustments shall be made solely by the Board of Directors.

Federal Tax Consequences. An Optionee will realize no taxable income at the time an option is granted under the 2003 Directors Plan.

Ordinary income will generally be realized by the Optionee at the time of his exercise of an option. The amount of income will be equal to the difference between the exercise price and the fair market value of the shares on the date of exercise. Tax withholding is required on such income. When an Optionee disposes of shares of Common Stock acquired upon the exercise of the option, any amount received in excess of the fair market value of the shares on the date of exercise will be treated as long or short-term capital gain, depending upon the holding period of the shares, and if the amount received is less than the fair market value of the shares on the date of exercise, the loss will be treated as long or short-term capital loss depending upon the holding period of the shares.

The Company will be entitled to a deduction for federal income tax purposes at the same time and in the same amount as the Optionee is considered to have realized ordinary income on the exercise of an option.

The above-described tax consequences are based upon present federal income tax laws, and thus are subject to change when laws change.

The affirmative vote of a majority of the Common Stock present in person or represented by proxy at the Meeting is required for the adoption of the 2003 Outside Directors Stock Plan.

17

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" APPROVAL OF THE 2003 OUTSIDE DIRECTORS STOCK PLAN.

PROPOSAL 3 - APPROVAL OF THE 2003 EMPLOYEE STOCK PURCHASE PLAN

General. In June 2003, the Board of Directors, subject to approval by the stockholders, adopted the Perma-Fix Environmental Services, Inc. 2003 Employee Stock Purchase Plan (the "2003 Employee Plan"). The Board of Directors believes that adoption and approval of the 2003 Employee Plan will serve to attract and to retain key personnel and other employees and to enhance their interests in the Company's continued success by providing such persons with long-term equity interests in the Company. Such equity interests will more closely align the financial interests of such key employees and personnel with the stockholders and create significant incentives for increasing stockholder value. The Board of Directors unanimously recommends that stockholders approve the 2003 Employee Plan.

Principal features of the 2003 Employee Plan, as adopted by the Board of Directors, are summarized below, but such summary is qualified in its entirety by reference to the terms of the 2003 Employee Plan, as set forth in Exhibit C to this Proxy Statement.

Employee Plan. The 2003 Employee Plan is intended to constitute an "employee stock purchase plan" within the meaning of Section 423 of the Internal Revenue Code of 1986, as amended. The 2003 Employee Plan will provide eligible employees of the Company and its subsidiaries who wish to become stockholders an opportunity to purchase Common Stock of the Company, which the Board of Directors believes is in the mutual best interests of the employees of the Company and its subsidiaries and the Company itself. The maximum number of shares of Common Stock of the Company that may be issued under the 2003 Employee Plan will be one million (1,000,000) shares, plus an annual increase to be added on the first day of the five calendar years 2009 through 2013, equal to the

lesser of (a) 100,000 shares, (b) 0.5% of the outstanding shares on such date or (c) a lesser amount determined by the Board. The maximum number of shares issuable under the 2003 Employee Plan is 1,500,000, and is subject to other adjustments as provided in the 2003 Employee Plan. As of the Record Date, the fair market value of a share of Common Stock of the Company is \$1.88, based on the closing price of such stock on the NASDAQ on such date and, as a result, the aggregate fair market value of the 1,500,000 currently issuable shares of Common Stock that may be granted under the 2003 Employee Plan was \$2,820,000. The shares of Common Stock to be delivered under the 2003 Employee Plan will be made available from the authorized and unissued or treasury shares of the Company, or a combination of both.

Administration. The Board of Directors will administer the 2003 Employee Plan or a committee appointed by the Board of Directors to administer the 2003 Employee Plan (the "Committee"). The Board of Directors or the Committee will have full power and authority under the 2003 Employee Plan to operate and administer the 2003 Employee Plan within the confines of Section 423 of the Code, which power and authority shall include, but not be limited to, that of modifying the terms and conditions of awards to be granted and establishing such rules and regulations as it shall deem appropriate for proper administration of the 2003 Employee Plan.

Eligibility. An "Eligible Employee" is a person who, on an Offering Date (as defined in the 2003 Employee Plan), is an employee of the Employer (as defined in the 2003 Employee Plan), and has completed at least six months of continuous service for the Employer; and, the person is not deemed, for purposes of Section 423(b)(3) of the Code, to own stock possessing 5 % or more of the total combined voting power or value of all classes of stock of the Company. As of the date of this Proxy Statement, it is expected that approximately 453 persons are eligible to participate in the 2003 Employee Plan.

Exercise Price and Stock Purchase Account. The exercise price shall initially be the sum of (i) 85% of the market value of each such share of Common Stock on the offering date on which such offering commences or on the exercise date on which such offering expires, whichever is lower, and (ii) any transfer, exercise or similar tax imposed on the transaction pursuant to which such share of Common Stock is purchased. In no event shall the purchase price per share be less than the par value per share of the Common Stock. Payment for the shares of stock purchased by a participant under the 2003 Employee Plan shall be paid out of the participant's stock purchase account, which shall be established by each participant, and which shall be funded by authorized payroll deductions of from 1 % to 5 % of the gross amount of each participant's compensation during a purchase period. The stock purchase account may be additionally funded by additional contributions made by the participant, subject to the approval of the Company, and, provided that: (a) all such

18

additional contributions shall be made no later than the first business day of the last month in the purchase period; (b) only one such additional contribution shall be accepted from any participant in any purchase period; and, (c) such additional contributions shall be from \$25 to \$2,000 and shall be in an amount which is in a multiple of \$25 within such range.

Limitation on Shares to be Acquired by Any One Participant. The maximum number of shares of Common Stock that may be purchased for each participant on a purchase date is the lesser of (a) the number of shares of Common Stock that can be purchased by applying the full balance of the participant's stock purchase account to such purchase of shares at the price such shares are purchased pursuant to the 2003 Employee Plan, or (b) the participant's proportionate part of the aggregate number of such shares of Common Stock available within the limitation established by the maximum aggregate number of such shares reserved for the 2003 Employee Plan. A participant may not purchase shares of Common Stock having an aggregate market value of more than \$25,000 for each calendar year in which one or more offering(s) is or are outstanding at any time.

Amendment or Termination. The Board of Directors may amend or terminate the 2003 Employee Plan at any time, except as otherwise provided in the 2003 Employee Plan.

Adjustments. Subject to any required action by the stockholders of the Company, the number of shares of stock reserved for purchase under the 2003 Employee Plan, as hereinabove provided, and the calculation of the purchase price per share may be appropriately adjusted to reflect any increase or decrease in the number of issued shares of stock resulting from a subdivision or consolidation of such shares or the payment of a stock dividend (but only on the stock) or any other increase or decrease in the number of outstanding shares of stock affected without receipt of consideration by the Company.

Summary of Federal Income Tax Consequences of the 2003 Employee Plan. The following summary is intended only as a general guide as to the federal income tax consequences under current law of options granted pursuant to the 2003 Employee Plan and does not attempt to describe all potential tax consequences. Furthermore, the tax consequences are complex and subject to change, and a taxpayer's particular situation may be such that some variation of the described rules is applicable.

A participant recognizes no taxable income either as a result of commencing participation in the 2003 Employee Plan or purchasing shares of Common Stock under the terms of the 2003 Employee Plan.

If a participant disposes of shares purchased under the 2003 Employee Plan within two years from the first day of the applicable offering period or within

one year from the date of purchase (a "disqualifying disposition"), the participant will recognize ordinary income in the year of such disposition equal to the amount by which the fair market value of the shares on the date the shares were purchased exceeds the purchase price. The amount of ordinary income will be added to the participant's basis in the shares and any additional gain or resulting loss recognized on the disposition of the shares will be a capital gain or loss. A capital gain or loss will be long-term if the participant's holding period is more than 12 months, otherwise it will be short-term.

If the participant disposes of shares purchased under the 2003 Employee Plan more than two years after the first day of the applicable offering period and more than one year after the date of purchase, the participant will recognize ordinary income in the year of disposition equal to the lesser of (a) the excess of the fair market value of the shares on the date of disposition over the purchase price or (b) 15 % of the fair market value of the shares on the first day of the applicable offering period. The amount of any ordinary income will be added to the participant's basis in the shares and any additional gain recognized upon the disposition after such basis adjustment will be long-term capital gain. If the fair market value of the shares on the date of disposition is less than the purchase price, there will be no ordinary income and any loss recognized will be a long-term capital loss.

The Company will be entitled to a deduction in the year of a disqualifying disposition equal to the amount of ordinary income recognized by the participant as a result of the disposition. In all other cases, no deduction is allowed to the Company.

For participants who are officers or Directors subject to the restriction of Section 16(b) of the Exchange Act, the federal income tax consequences are generally the same as described above.

19

The affirmative vote of majority of the shares of Common Stock present, or represented by proxy, and entitled to vote at the Meeting is required for the adoption of the 2003 Employee Stock Purchase Plan.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" APPROVAL OF THE 2003 EMPLOYEE STOCK PURCHASE PLAN.

PROPOSAL 4 - RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

Subject to ratification by the Stockholders, the Audit Committee has appointed BDO Seidman, LLP ("BDO Seidman") as independent accountants to audit the consolidated financial statements of the Company for fiscal year 2003. BDO Seidman has been the Company's independent accountant since December 18, 1996. It is expected that representatives of BDO Seidman will be present at the annual meeting, will have an opportunity to make a statement if they desire to do so, and will be available to answer appropriate questions.

Audit Fees

The aggregate fees billed by BDO Seidman, LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2002 and 2001, for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for those fiscal years and for review of documents filed with the Securities and Exchange Commission for those fiscal years were \$195,423 and \$175,335, respectively. Approximately 87% and 94% of the total hours spent on audit services for the Company for the years ended December 31, 2002 and 2001, respectively, were spent by Gallogly, Fernandez and Riley, LLP ("GFR") members of the BDO alliance network of firms. Such members are not full time, permanent employees of BDO Seidman, LLP.

Audit-Related Fees

BDO Seidman was not engaged to provide audit-related services to the Company for the fiscal years ended December 31, 2002 and 2001.

During 2001, the Company acquired East Tennessee Materials and Energy Corporation ("M&EC"). In connection with this acquisitions, the Company retained GFR to audit M&EC for the three years ended December 31, 1998, 1999 and 2000. The audit fees paid by the company to GFR for said services were \$58,460. GFR also audited the Company's 401(k) Plan during 2002 and 2001, and billed \$7,860 and \$10,000, respectively.

Tax Services

The aggregate fees billed by BDO Seidman for tax consulting services for 2002 were \$18,000. BDO Seidman performed no tax services for 2001.

The aggregate fees billed by GFR for tax compliance services for 2002 and 2001 were \$33,000 and \$21,000, respectively.

All Other Fees

BDO Seidman was not engaged to provide any other services to the Company for the fiscal years ended December 31, 2002 and 2001.

GFR was not engaged to provide any other services to the Company for the fiscal years ended December 31, 2002 and 2001.

The Audit Committee of the Company's Board of Directors has considered whether BDO Seidman's provision of the services described above for the fiscal year

ended December 31, 2002, is compatible with maintaining its independence. The Audit Committee also considered services performed by GFR to determine that it is compatible with maintaining independence.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE REAPPOINTMENT OF BDO SEIDMAN, LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS.

EXHIBIT A

AUDIT COMMITTEE CHARTER

A. Purpose. The Audit Committee is appointed by the Board of Directors of Perma Fix Environmental Services, Inc. (the "Company") for the following purposes:

1. Assisting the Board of Directors in discharging its oversight responsibility relating to: (a) the accounting, reporting, and financial practices of the Company and its subsidiaries, including the integrity of the Company's financial statements; (b) the surveillance of administration and financial controls and the Company's compliance with legal and regulatory requirements; (c) the outside auditing firm's qualifications and independence; and (d) the performance of the Company's internal audit function and the Company's outside auditing firm; and
2. Preparing the report required by the rules of the SEC to be included in the Company's annual proxy statement.

In fulfilling its purpose, the Audit Committee should endeavor to maintain free

and open means of communication between the members of the Committee, other members of the Board of Directors, the outside auditor, the senior and financial management of the Company, and with any employees of the Company or other individuals who desire to bring accounting, internal accounting controls, auditing, or other matters to the Committee's attention.

In the exercise of its oversight responsibilities, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements fairly present the Company's financial position and results of operation and are in accordance with generally accepted accounting principles. Instead, such duties remain the responsibility of management and the outside auditor. Nothing contained in this charter is intended to alter or impair the operation of the "business judgment rule" as interpreted by the courts under the Delaware General Corporation Law. Further, nothing contained in this charter is intended to alter or impair the right of the members of the Audit Committee under the Delaware General Corporation Law to rely, in discharging their responsibilities, on the records of the Company and on other information presented to the Audit Committee, Board of Directors, or Company by officers of employees or by outside experts such as the outside auditor.

B. Members. The Board of Directors shall appoint an Audit Committee of at least three members, and shall designate one member as chairperson. Each member of the Audit Committee must meet the independence and experience requirements of relevant law, including rules and regulations of the Securities and Exchange Commission (the "Commission") and the Nasdaq Stock Market ("Nasdaq"). C. Authorities and Responsibilities. Among its specific duties and responsibilities, the Audit Committee shall, consistent with and subject to applicable law and rules and regulations promulgated by the Commission, Nasdaq or other regulatory authority:

1. Be directly responsible, in its capacity as a committee of the Board of Directors, for the appointment, compensation and oversight of the outside auditing firm. In this regard, the Audit Committee shall have the sole authority to (a) appoint and retain (subject to ratification by the Company's stockholders), (b) determine the funding for, and (c) when appropriate, terminate, the outside auditing firm, which shall report directly to the Audit Committee.
2. Approve in advance all audit services to be provided by the outside auditing firm, including any written engagement letters related thereto; establish policies and procedures for the engagement of the outside auditing firm to provide permissible non-audit services, which shall require pre-approval by the Audit Committee of all permissible non-audit services to be provided by the outside auditing firm; and, at the discretion of the Audit Committee, delegate such pre-approval of services to the chairman

of the Audit Committee (provided that the chairman shall provide subsequent notification to the Audit Committee of any such pre-approval at scheduled meetings of the Audit Committee).

3. Consider, at least annually, the independence of the outside auditing firm, including whether the outside auditing firm's performance of permissible non-audit services is compatible with the auditor's independence; obtain and review a report by the outside auditing firm describing any relationships between the outside auditing firm and the Company or any other relationships that may adversely affect the independence of the auditor; discuss with the outside auditing firm any disclosed relationships or services that may impact the objectivity and independence of the auditor; and present to the Board of Directors the Audit Committee's conclusions with respect to the independence of the outside auditing firm.
4. Review and discuss with the outside auditing firm: (a) the scope of the audit, the results of the annual audit examination by the auditor and any accompanying management letters, and any difficulties the auditor encountered in the course of their audit work, including any restrictions on the scope of the outside auditing firm's activities or on access to requested information, and any significant disagreements with management; (b) any reports of the outside auditing firm with respect to interim periods; and (c) the matters required to be discussed by Statement on Auditing Standards No. 61 as then in effect.
5. Review and discuss with management and the outside auditing firm the annual audited and quarterly unaudited financial statements of the Company, including: (a) an analysis of the auditor's judgment as to the quality of the Company's accounting principles, setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements; (b) the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations," including the development, selection and reporting of accounting policies that may

be regarded as critical; and (c) major issues regarding the Company's accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles and financial statement presentations.

6. Recommend to the Board based on the review and discussion described in paragraphs 3 - 5 above, whether the financial statements should be included in the Annual Report on Form 10-K.
7. Periodically review and discuss the adequacy of the Company's internal controls, any significant deficiencies in internal controls, and significant changes in such controls; and review and discuss with the principal internal auditor of the Company and such others as the Audit Committee deems appropriate, the scope and results of the internal audit program.

13. Establish policies for the Company's hiring of employees and former employees of the outside auditing firm.
14. Evaluate annually the performance of the Audit Committee and the adequacy of the Audit Committee charter.

D. Meetings. The Audit Committee shall meet as often as may be deemed necessary or appropriate in its judgment, but not less than quarterly, either in person or telephonically. At least annually, the Audit Committee shall meet in executive session with each of management, the principle internal auditor of the Company, and the independent auditory firm. The Audit Committee may create subcommittees who shall report to the Audit Committee. The Audit Committee shall report to the full Board of Directors with respect to its meetings. The majority of the members of the Audit Committee shall constitute a quorum.

E. Outside Advisors. The Audit Committee shall have the authority to retain such outside counsel, experts, and other advisors as it determines appropriate to assist in the full performance of its functions.

F. Investigations. The Audit Committee shall have the authority to conduct or authorize investigations into any matters within its scope of responsibilities and shall have the authority to retain outside advisors to assist it in the conduct of any investigation.

Shares of Stock subject to an Option or Stock Award may be either authorized and unissued shares or shares issued and later acquired by the Company (in the open-market or in private transactions and which are being held as treasury shares); provided however, the shares of Stock with respect to which an Option has been exercised shall not again be available for Option hereunder. If outstanding Options granted hereunder are terminated, forfeited, or cancelled or expire for any reason without being wholly exercised prior to the end of the period during which Options may be granted hereunder, new Options may be granted hereunder covering such unexercised shares. No fractional shares of Stock shall be issued under the Plan.
- 4.2 Antidilution. In the event that the outstanding shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Company or of another corporation by reason of merger, consolidation, reorganization, recapitalization, reclassification, combination of shares, stock split or stock dividend:

The foregoing adjustments, and the manner of application thereof, shall be determined solely by the Board, and any such adjustment may provide for the elimination of fractional share interests. The adjustments required under this Article shall apply to any successor or successors of the Company and shall be made regardless of the number or type of successive events requiring adjustments hereunder.

OPTIONS AND STOCK AWARDS

- 5.1 Terms and Conditions. Options granted under the Plan shall be in respect of Common Stock and shall be in the form of Non-Qualified Stock Options. Options and Stock Awards shall be subject to the terms and conditions set forth in this Article V and any additional terms and conditions, not inconsistent with the express terms and provisions of the Plan, as the Board shall set forth in the relevant Stock Option Agreement.

Board (the "Director's Fee") in Stock. If the Eligible Director wishes to receive 65% of his Director's Fee in Stock: (a) the Eligible Director will receive the number of shares of Stock obtained by dividing 65% of the applicable Director Fee by 75% of the Fair Market Value of the Stock and (b) the Eligible Director will receive 35% of his Director's Fee in cash or its equivalent. If the Eligible Director wishes to receive 100% of his Director's Fee in Stock the Eligible Director will receive that number of shares of Stock obtained by dividing the applicable Director's Fee by 75% of the Fair Market Value of the Stock. Fair Market Value as used in this Section 5.2.3, shall be determined on the business day immediately preceding the date that the Director's fee is due.

- 5.2.6 The election by the Eligible Director, as described in Section 5.2.3 hereof, shall be made in writing to the Company at any time prior to the date on which the Director's Fee is due. Should an Eligible Director fail to make such election in a timely manner, such Eligible Director shall be deemed to have elected to receive 100% of the Director's Fee payable to such Eligible Director in Stock as described in Section 5.2.3.
- 5.3 Option Price. The Option Price of the Stock subject to each Option shall be the Fair Market Value of the Stock on the day preceding the Grant Date, or the Initial Election Date.

- 5.5 Option Exercise.
- 5.5.1 No Option granted under the Plan shall become exercisable until after the expiration of six months from the Grant Date or Initial Election Date, as applicable. An option shall remain exercisable after its exercise date at all times during the Exercise Period, regardless of whether the Optionee thereafter continues to serve as a member of the Board.
- 5.5.2 Subject to the terms of this Section 5.5, an Option may be exercised at any time or from time to time during the term of the Option, in whole or in part, as to full shares of Stock which have become exercisable under this Plan and the terms of the Option, but not as to less than 1,000 shares of Stock, unless the remaining shares of Stock that are so exercisable are less than 1,000 shares of Stock. The Option Price is to be paid in full pursuant to the terms of this Section 5.5 upon the exercise of the Option. The holder of an Option shall not have any of the rights of a Stockholder with respect to the shares of Stock subject to the Option until such shares of Stock have been issued or transferred to the holder upon the exercise of the Option.
- 5.5.3 Subject to the terms of this Plan, an Option may be exercised by the Optionee, in whole or in part, during the Company's normal business hours on any business day by surrender of the Option and written notice of exercise of the Option, duly executed by the Optionee, with such notice duly delivered to the Company at its principal office, setting forth the specified number of full shares of Stock being exercised, and accompanied by payment, in cash or by certified or official bank check payable to the order of the Company in the amount obtained by multiplying (i) the number of shares of Stock so designated in such notice of exercise by (ii) the Option Price specified in the Option. In addition to, and prior to issuance of a certificate for shares of Stock pursuant to the exercise of an Option, the Optionee shall pay to the Company in cash or by certified or official bank check,

payable to the order of the Company, for the full amount of any federal and state withholding or other employment taxes applicable to the taxable income of such Optionee resulting from such exercise.

- 5.6 Nontransferability of Option. Options may not be transferred by an Optionee other than by will or the laws of descent and distribution. During the lifetime of an Optionee, this Option may be exercised only by the Optionee (or by his guardian or legal representative should one be appointed). In the event of the death of an Optionee, any Option held by him may be exercised by his legatee(s) or other distributee(s) or by his personal representative.
- 5.7 Nontransferability of Stock Award. No shares of Stock issued under the Plan pursuant to Stock Awards may be transferred by the recipient thereof for a period of six months from the date such Stock is issued to the Eligible Director, other than by will or the laws of descent and distribution. The certificates representing shares of Stock issued under Stock Awards shall bear a legend to the foregoing effect.

- 6.1 Stock Certificates. The Company shall not be required to issue or deliver any certificate for shares of Stock purchased upon the exercise of any Option granted hereunder or any portion thereof unless, in the opinion of counsel to the Company, there has been compliance with all applicable legal requirements. An Option granted under the Plan may provide that the Company's obligation to deliver shares of Stock upon the exercise thereof may be conditioned upon the receipt by the Company of a representation as to the investment intention of the holder thereof in such form as the Company shall determine to be necessary or advisable solely to comply with the provisions of the Securities Act of 1933, as amended, or any other federal, state or local securities laws.

ARTICLE VII

The Board may suspend or terminate the Plan (or any portion thereof) at any time and may amend the Plan at any time and from time to time in such respects as the Board may deem advisable to ensure that any and all Options and Stock Awards conform to or otherwise reflect any change in applicable laws or regulations, or to permit the Company or the Eligible Directors to benefit from any change in applicable laws or regulations, or in any other respect the Board may deem to be in the best interests of the Company or any subsidiary. No such amendment, suspension or termination shall (a) materially adversely effect the rights of any Eligible Director under any outstanding Options or Stock Awards, without the consent of such Eligible Director or (b) be effective without shareholder approval if such approval is required to comply with any applicable law or stock exchange rule.

Neither the adoption of the Plan, the granting of any Award, nor the execution of any Stock Option Agreement, shall confer upon any Eligible Director any right to remain a member of the Board for any period of time, nor shall it create any obligation on the part of the Board to nominate any of its members for reelection by the Company's stockholders.
